

Happiness

When I have love and peace inside, happiness just comes.

**Happiness is a state of peace in which there is
no upheaval or violence.**

Give happiness and take happiness.

When there is a feeling of hope, there is happiness.

Good wishes for everyone give happiness inside.

Happiness naturally comes with pure and selfless actions.

Lasting happiness is a state of contentment within.

When one is content with oneself, happiness comes automatically.

**When my words express 'give flowers instead of thorns,'
I create a happier world.**

**Happiness follows giving happiness,
sorrow follows giving sorrow.**
